

# → EMARS CONFERENCE

Paris – 2008-07-11

Guido De Jongh  
Programme Manager

## Some thoughts

- Awareness of existence of standards, of the right standards
  - Some labs are still using outdated methods
  - Solutions ?
    - Consult Perinorm, on line catalogue
- Active participation in standards development process
  - Learn from each other
- Improved collaboration between customs and Market surveillance authorities
- European Forum for Conformity Assessment
  - Secretariat hold by CEN/Management Centre

# Some thoughts

- RAPEX and practical operation:  
How to get off the notification list ?
- Co-ordination of market surveillance initiatives
